Tavolo Desco

L / W 1850 x H 742 x P / D 950

Desco tables are striking for the contrast between the full-bodied legs and the slender top, square or rectangular, in fixed or extendable version. The choice between different finishes of top and legs allows for multiple chromatic and stylistic possibilities. In the image, an example with gloss Nero Greco ceramic top and gloss lacquered Creta legs, combined with Linda chairs covered in Grigio leather.
