Diesel Living – a shot of personality for homes and interiors with Diesel's distinctively freewheeling approach to design. Unexpected and ironic influences shape a world where classic and experimental styles pair up to create something entirely new.

An unbounded exploration of iconography reflects the Diesel landscape: a mix of industrial styles, dark and adrenalized rock & roll spirit and the bright-toned, mischievous glee of pop. The vintage spirit shines, and aesthetic clashes add luster; textures and surfaces hold surprises, and furniture and objects communicate the racy and provocative spirit of Diesel.

Moroso and Diesel have created an indoor and outdoor furniture collection with a relaxed and comfortable mood, taking the inspiration from an informal lifestyle concept and targeting consumers who like simple shapes yet at the same time seek a "modern" style, made up of high quality combined with a distinctive design of pure lines. Here, vintage and mechanical references combine to create clashing vocabularies and a new aesthetic.

Diesel Living – un tocco di personalità per case e ambienti interni con il tipico approccio a ruota libera di Diesel al design. Influenze inaspettate e ironiche formano un mondo in cui lo stile classico e quello sperimentale si abbinano per creare qualcosa di completamente nuovo.

Un'esplorazione senza confini dell'iconografia riflette il panorama Diesel: un mix di stile industriale, di spirito dark e rock & roll adrenalinico e di gioioso pop dai toni vivaci e maliziosi. Lo spirito vintage risplende, mentre i contrasti estetici aggiungono lustro: le texture e le superfici riservano sorprese, mentre i mobili e gli oggetti comunicano lo spirito audace e provocante di Diesel.

Moroso e Diesel hanno creato una collezione di mobili da interni ed esterni caratterizzata da uno spirito rilassato e comodo, che si ispira a un concetto di lifestyle informale e si rivolge ai consumatori che prediligono le forme semplici, ma che cercano al contempo uno stile "moderno" di alta qualità, abbinato a un design dalle linee pure, capace di distinguersi. Qui, il vintage e i riferimenti meccanici si sposano per creare vocabolari contrastanti e una nuova estetica.

# together apart[ment]

In this unprecedented period, when we've spent so much time in separation, Diesel Living invites the world in to embrace a home environment designed for the versatility to adapt to our lives as they evolve inside our homes. Created in collaboration with the best of Made in Italy, the new furnishings and designs offer highly customizable comfort and indulgent luxury spun with Diesel Living's mordantly renegade spirit.

In questo periodo senza precedenti, in cui abbiamo trascorso così tanto tempo separati, Diesel Living invita il mondo dentro per abbracciare un ambiente domestico progettato per la versatilità di adattarsi alle nostre vite mentre si evolvono all'interno delle nostre case. Creati in collaborazione con il meglio del Made in Italy, i nuovi arredi e design offrono comfort altamente personalizzabili e un lusso indulgente con lo spirito ribelle di Diesel Living.
